2. After you have your fabric laid out in a pattern that you like, you are ready to sew. Begin by sewing the squares into 11 strips.
3. Now you have 10 strips of squares to sew together. Match up the seams as you go putting all of the seam allowances of a strip going the same direction. When this step is finished, you can carefully press your top which should measure 35.5" x 39".
4. Mark where the center of the flower will be at the top of the yellow squares. Applique in the following order using your favorite method:
 - * flower petals
 - * leaves
 - * stem
 - * flower center
